Tell us about your business, what inspired you to get into it, what you sell/service you offer, what makes your business stand out and how it impacts you, your community or the environment.

This is your chance to tell your business' story, highlighting its uniqueness, growth, and future plans. To help your business stand out, be enthusiastic and include evidence of your international ambition/achievements e.g. the number of international markets you export to. Including current/predicted growth stats such as year-on-year growth and turnover will help to determine your business' growth and projected success.
